Innovation & Engagement Presents  
**MINISTRY LAB**  
~HALAWAI PUALU~  
**WHERE CHURCH AND INNOVATION MEET**

**Tuesday, November 12 & 19, 6-8 PM via Zoom**

What gets in the way of creating something new? How do we take away the things that are draining people's energy so that there is room for curiosity, play and joy? What are your gifts and what do you want to do?

Join HCUCC's **Innovation and Engagement Missional Team** (I&E) for [Ministry Lab 2024](#) to hear presentations from those in the Member in Discernment (MID) process as well as conversations relating to church success metrics and how there is no one "lab" that will work for everyone because we each have different needs and goals.

The hope is that by the end of these sessions, you will be able to identify one "lab" that you would like to work on, and I&E will be available to support you on your journey!

Zoom info will be shared in Coconut Wireless and [hcucc.org](http://hcucc.org).
