Kalaupapa Sunday

On the **fourth Sunday of every January**, churches are invited to commemorate the estimated 8,000 people diagnosed with Hansen's Disease who were exiled to Moloka'i's remote Kalaupapa peninsula.

The *suggested date* for observing Kalaupapa Sunday is **January 28, 2024**, though churches may honor the patients of Kalaupapa and their families any Sunday in the year.

Resources for observing Kalaupapa Sunday are available on the HCUCc website: hcucc.org/kalaupapa-sunday.
