Maha'o!
**PASTOR
APPRECIATION MONTH**

Remember (especially in October) to express your appreciation for our pastoral leaders and celebrate the many gifts they bring to our local churches, schools, medical and military settings, communities, and the Hawai'i Conference. We are truly blessed!

DOMESTIC VIOLENCE AWARENESS MONTH

October is a time to raise awareness, support survivors, and honor lives lost to domestic violence. Nationwide, almost 1 in 2 women, 40% of men, and 54% of transgender individuals have experienced intimate partner violence in their lifetime (*from the Hawai'i State Coalition Against Domestic Violence website*).

Odds are, there is more than one current or past survivor of domestic violence in your congregation. Those affected by domestic violence, intimate partner violence and relationship abuse can contact the **National Domestic Violence Hotline**, a confidential 24-hour service: Call **1.800.799.SAFE** (7233) / Text "START" to **88788**.

Plan to attend: **October 21**
Tuesday at 6:30 p.m. HST via Zoom

THIS MONTH'S EMERGING THOUGHT

"We cannot allow an inexcusable act of political violence to be twisted into a justification for government censorship and control.... When corporations surrender in the face of that pressure, they endanger not just themselves, but the right to free expression for everyone in this country. The duty to defend the First Amendment does not rest with government, but with all of us...."
—Anna M. Gomez, the sole Democrat on the Federal Communications Commission (FCC)
